

Stephen Peter Ashcroft

October 19, 1965 - May 30, 2019

Stephen “Steve” Peter Ashcroft, age 53, of St. Augustine, passed away unexpectedly on May 30th 2019 at his home in St. Augustine. Born in Liverpool, England, Steve grew up in Formby and upon graduating from high school, he came to the states on a Soccer Scholarship. He attended Hofstra University on Long Island, New York where he graduated with a degree in Economics. He decided to stay in the U.S. and he, firstly, settled in New Jersey, working for National Westminster Bank. Steve relocated to Florida in the early 1990’s to work for SunTrust Bank and made his home in St. Augustine shortly thereafter. Most recently, Steve had been working for Fidelity Investments in Jacksonville where he was a Portfolio Manager. Steve’s passions in life clearly revolved around the game of Soccer. He played soccer for most of his life; youth, high school, college and “Old Man Soccer”. He refereed soccer games and he was a huge fan of the Everton Football Club. He coached his son, Harrison, to a Division 1 Soccer Scholarship at California State. Steve loved to travel and learn. His dream was to teach English, as a second language, in Columbia after traveling in South America and he was learning Spanish. He will be warmly remembered for his sense of humor and his caring nature and will be deeply missed by all who knew him.

He is survived by his wife, Jacqui Ashcroft; sons, Matthew and Harrison DuParcq, all of St. Augustine; his mother, Maggie Ashcroft of Formby, England; and his brother, Jonathan Ashcroft of Breamore, England. He was

preceded in death by his father, Peter Ashcroft, and a son, Daniel Stephen Ashcroft.

A memorial service will be held at 5:30 p.m. on Friday, June 7th at St. Johns Family Funeral Home, with Pastor David Sheffield officiating.

St. Johns Family Funeral Home is in charge of arrangements.

Can't begin to express our sorrow for your loss. Know that you will be in our prayers asking God to comfort & provide for you as only He can. Rich and I were clients of Stephen's. He was kind, compassionate and always ready to go the second-mile. We spent many conversations talking about you and the boys. He loved you all very much, . You were his reason for living. Our love to you.

“ *I met Steve September 30, 2018. It was a chance meeting. I was scheduled to referee with two other referees, but Steve was a late substitution for the center. We spent about 3 hours together refereeing two games, maybe 30 minutes of that time actually talking. I had only been in the St. Augustine area about 6 months. Steve was so welcoming to me. I was looking forward to refereeing more games with him. But I was never assigned to work with Steve after that chance meeting. Only 30 minutes with Steve, but I was compelled to attend his memorial service. The man I heard stories about from his brother and friends was the same man I had envisioned after only spending a few minutes with him. Just a moment in time, but Steve made me feel like a friend. “ *To think that I've known Steve for almost 25 years doesn't seem possible. I worked at the Kings Head British Pub in St. Augustine back in 94, and Steve was always a joy to have in. Both being from over the pond we'd always had some fun, and be able to "take the piss"... We had a lot of laughs over the years. I considered him a very good friend, and I'm heartbroken that I won't get to see him again as we had planned! It wasn't long ago we chatted on the phone about my returning to Florida, and looking forward to a lot of catching up. I miss you already mate 💔💔💔 My heartfelt condolences to family and friends.
