“ Uncle Steve, I cannot believe you are gone! Our family was so blessed to have you and how lucky I was to call you, my uncle. You were a man I admired for many things and when I spoke to you, I realized what a wonderful person you were and how much of reminded me of Grandma and Grandpa- who I still miss every day. I hope heaven knows how lucky they are to have you now! And though you had so many great qualities, the one that will always stand out for me was your love for Aunt Jean, Ted-(Amy), Heather-(Rayshoun), and all of your beautiful grandchildren and how they always came first for you and how proud you were to be a good Husband, Father and Grandfather to all of them. You will be missed by many and loved by me forever. Until we meet again!
