Susie was so special and so much fun. She took care of my hair for many many years and became like family. She joined us in family weddings and other celebrations. She was a wonderful friend and will be missed deeply. I love you, Suz.

“ George and family, I will always remember Susie with love and fondness. Sending up prayers for comfort for everyone lucky enough to have been part of her life. I hope that, even though your world is so dark right now, you are soon able to see some light in the memories you had with your Mom.
Fly high, Suze. Love ya, darlin'.
