

Susan Lynn Contic

December 3, 1956 - August 4, 2023

Susan Lynn Contic of St Augustine Florida passed away suddenly at the age of 66. She had been battling a severe illness for some time. Lynn, as she was known by all, was born on December 3rd, 1956, to Joseph and Mimi Sciacca in Rockville Md. She had an older sister Carol who had passed away also as well as both of her parents. Lynn was a beautiful and fun-loving soul but had a serious side to her. Growing up she had a passion for dancing where she belonged to a dance troupe that traveled to perform and many times her husband would come home and find her dancing to her favorite songs. She also loved Interior design and worked for several designers. She always kept a beautiful home where everything had its proper place. She loved animals, especially horses. She always had a searching spirit for her purpose and in 1996 she accepted Jesus Christ as her personal savior. She loved God with all her heart and even when her health began failing, she did not lose faith.

Lynn is survived by her husband Tony Contic of 15 years and his sons Anthony and Aaron. Also, numerous Family and Friends and all are saddened by this and will miss her terribly. She was a wonderful woman, wife, and friend and is finally home where there is no more pain and sorrow.

A private memorial service will be held for her. Please sign the guest book and leave your personal memories of our dear sweet Lynn.

“ I am forever grateful and honored to have known Lynn for almost 30 years. We shared a special friendship that I will forever cherish. So many wonderful memories working at Hecht's and Advantage Homes with Lynn, long talks on the phone catching up, fun times at the beach in Ocean City, celebrating New Years Eve's together and just hanging out in her kitchen while she tried out a new recipe. Her love of animals, humor, kindness, and empathy for others as well as her strong faith in Jesus Christ will be truly missed. It is with great sadness and heartbreak that she is no longer here now in a physical presence, but she will always remain within all of us who knew and loved her. Lynn's gifts of love, light and laughter will be cherished by all the lives she touched. You are forever in our hearts and memories sweet Lynn.

“ The Sciccas made me feel a part of their family. We did a lot of things together. Her mom, Mimi would pick Lynn and I a d take us to Joe's shop and we played pinball. She was like my little sister. I miss her so much

“ My heart is still aching from the devastating loss of my beautiful best friend Lynn aka Mouse to me and I'm her Pintsize. Friends since Junior High and never ever lost touch with each other. We would talk on the phone for hours both being in different time zones, it didn't matter. We laughed, cried and prayed. I'm just so overwhelmed with grief and sadness. I just talked with her a few weeks ago. Actually it was long messages as she couldn't speak any more. But those texts were long! My beautiful friend, you are no longer in pain and that gives me comfort. I love you, I'll miss you and you are Forever in my heart. ❤️❤️🙏🙏

“ It was fantastic growing up next door to Sciacca's, Lynn was so kind and fun to be around. She taught me how to tap dance in her basement. She was such a wonderful person, my thoughts are with Tony and the family.
