

Susan Patricia Kegebein

March 8, 1957 - August 22, 2020

Susan Patricia “Patsy” Kegebein, 63, of Saint Johns, passed away August 22, 2020 at her home. She was born and raised in Maple Valley, Washington. She grew up running track and developed a strong passion for snow skiing. She continued her love for the sport when she moved to Florida with the Jacksonville Ski club for 15 years. Athleticism came natural to her and on most days you could find her in the gym or doing laps in a pool. Throughout her life she acquired many talents in the hospitality industry including catering, bartending, and most recently granting the coveted samples at Costco. She was trained as seamstress in her early years and passed this skill on to her daughter. As a mother she was a pillar and mastered the perfect balance of providing guidance and freedom. As a grandmother she was a caring teacher of knowledge. She enjoyed healthy cooking for her family and also relished in the satisfaction of a Ghiradelli chocolate treat. She appreciated and found joy in the simple things of life. She stayed younger than her years and was as beautiful on the outside as she was on the inside. She was a loving wife, mother, grandmother, and friend. Patsy will be forever missed.

She is survived by her husband of 32 years, Corky Kegebein; daughter, Ginger Shoup (Peter); grandchildren, Pete and Parker; siblings, Linda Petchnick, Annie Cruz, Donna Anderson, Paul Walsh and many nieces and nephews. She was preceded in death by her parents, Roger and Dorothy

Walsh and brother, Phillip Walsh.

“ *We are truly saddened to hear of the passing of Patsy. She will always be fondly remembered as a caring and loving wife, mother, grandmother and friend. One of our dearest memories are of how she befriended us and took us under her wing when we were new to the ski club. She loved to take me down mogul runs to give me a challenge. Our heartfelt condolences to Corky and family.*

I'm so sorry and shocked to hear about Patsy. I have so many fond memories of her on the ski trips, parties and board meetings. We were friendly competitors on the NASTAR course, fun times. Patsy was such a beautiful woman; I will always remember how good she and Corky looked modeling ski clothes in the fashion show. Thanks for being my friend Patsy. ❤️❤️

“ Patsy was such a wonderful friend, mother, grandmother and woman. She was one of the kindest, gentle and honest person anyone could ever know. She was a reserved person, who stood very proudly by her friends and family. I met Patsy on her first ski club trip. She was most proud of the fact that she showed me how to ski moguls for the first time. My favorite memory of Patsy was when she was skiing down a race course with a pine tree sticking two feet out of the top of her favorite backpack. That was the best run she had skied all week. My thoughts and prayers go out to Corky and his family. We all have such fond memories of Patsy. She will be missed by everyone who knew her and we will never forget her.

Patsy was my little sister. Even though she was about six inches taller. She lived with me for about a year when she was in high school. We used to play racket ball against the refrigerator with tennis rackets and tennis balls for hours. And then we would sit on the wall (backs against the wall, crouch position) to see who could last the longest. We were both so stubborn we would call a tie and both collapse on the floor. One other thing, Ted Bundy was active in our area at the time so we would lock up the house at night and then open the door and yell "Good night Ted" into the night. We had so much fun. This was so hard to take. Our family is having a small memorial today for her.
