“ I am very sorry for the recent loss of your loved one Susan Rowena Lantz. I have a brief encouraging message I would like to share with you from God's Word, the Bible. The Bible can be a great source of both comfort & hope during this most difficult time I your lives. For one example, at Revelation 21:3-5 it assures us that the day is soon coming when our loving Heavenly Father is going to wipe away the tears of sorrow from our eyes forever and that even pain & death will be no more. I hope after reading this it will be of some comfort to each one of you. If later you would like to learn more from the Bible about why we die or why does a loving God allow so much suffering & injustice, please feel free to go to the website: [www.jw.org](http://www.jw.org) to find some very satisfying answers.

“ There is a saying that people use to explain a negative situation "It's not a perfect world " If there were more people in this world like a Susan Lantz , it would be a perfect world. She was a great neighbor and friend. We spent many holiday dinners together with our neighbors Paul and Jackie and John. Her kindness and caring sprit will forever be missed.
