“ I did not know Suzanne very well personally but have been friends with her daughter Kellye who spoke of her with me over the past 30 years. I saw her recently when she was in nursing home and was saddened as the woman I had grown to know through stories was not the woman before me. My heart is saddened for the entire family and my prayers and thoughts are with you all. I am heartbroken for your loss

“ My memories go back to high school , Englewood , we called Suzanne “Red”  
Red was so loving. She loved her family so deeply, as was her love for horses and animals.  
I remember one class reunion, they had a special day to sign up to play golf, I heard Suzanne skunked all the guys :)  
Rest in peace, my sweet friend, Susie Q. Thomas /Neal
