

Tami Tedder Black

May 6, 1960 - November 12, 2020

Our beloved Tami transitioned from this life on November 12, 2020. Tami is a St. Augustine native, graduating from St. Augustine High School, Class of 1978. Tami retired earlier this year after an accumulation of 35 years of service with the offices of the Clerk of Courts and the Public Defender. As a young girl she was an accomplished horse person with her beloved horse, Sam. Later in life she enjoyed fishing, reading a book and lounging in a pool. She loved her family, being a great wife, mother, grandmother, daughter, sister and friend.

Tami leaves her cherished memories to her husband of 33 years, Keith Black; sons, Justin Black and Kyle Black (Mahala); grandson, Jacob; parents, Warnock and Beverly Tedder; brothers, Darren Tedder (Margie), Dale Tedder (Julie) and Scot Tedder (Tina); brother in-laws, Frank Black (Linda) and Glen Black (Gail), several nieces, nephews and cousins.

Tami leaves her earthly family to journey to her heavenly family waiting for her. Paternal grandparents, Everett and Gladys Tedder; maternal grandparents, F.I. "Buster" and Agnes Hudnall; parents in-law, Weldon and Rebon Black, several uncles and aunts all waiting for her.

Special thanks to Dr. William Barlow and Community Hospice. At Tami's request there will be no public services. Her tribute can be viewed at www.stjohnsfamilyfuneralhome.com. A family memorial will be held at a later date. In lieu of flowers please make your donations to Community Hospice in Tami's Memory, <https://www.communityhospice.com/give/> or 4266 Sunbeam Road,

“ There are no words to describe the sadness I feel since you gained your angel wings my dear friend.

I know you are in the arms of Jesus as we had many a discussion about our faith and beliefs.

To all of Tami's family you are in my thoughts and prayers and my heart hurts for you. I feel like a part of me went with Tami so I can't imagine how you all are feeling. Just know how much she loved each of you and remember her with her wonderful smile and laugh.

Our friendship spanned over 50 years and no matter what was going on we always found our way back to each other like no time had passed. Our friendship really grew in our late teens and we had many great times together. Here are some things that stand out in my memory of our times together. Having 3 brothers you knew how to throw a punch and make it count. You took me to the movies to see Orca the Killer Whale and Alien and I sat through most of the movie with my hands over my face and screamed occasionally and you just laughed. In return I took you to see Grease many times in return. You shared with me your love of reading and got me hooked with the book Skye O'Malley and we couldn't wait for the next book in the series to come out. Skating at Cooksey's and just riding around town. Hanging out at your house once I could get past that tiny little guard dog that greeted me at the front door. 😊 I can still hear you laughing because I was so scared of that little dog.

Our career paths ran parallel to each other and we were lucky enough to have daily contact with each other for many years. We always had each other's back.

You stood beside me as my Maid of Honor when I got married and you were there 17 years later when that marriage ended, being Tami. Making me laugh when I needed to and listening to me when I needed to talk. You were a protective friend and didn't let anyone walk over me. If they tried, they had to deal with you and boy did

they regret that. 😞

As our children came along, we were busy with them and didn't get to spend as much time together, but we always made up for the absence when we did get together.

I will miss hearing you say, "cool beans" and calling me Rhonda-Honda. Till we meet again my precious friend, go rest high on that mountain and find some good rivers to fish in. Love and miss you, Tami Jeanne.

“ With Tami, you would always get a smile. She really was one of the nicest people to be around. I know her physical presence will be missed for sure, but know she will never be gone as long as we keep the stories and memories each have of her alive. Enjoy sweet peace Tami.

“ *I am so saddened to hear of Tami's passing. I have known her for a very very long time & Tami was always such a sweet soul & always smiling, no matter what. She always had a kind word for me & I will never forget that. I am so sorry Beverly & Wanick for losing such a beautiful daughter, but know that she will be waiting at the gates for you when it's time with that same sweet smile. My sincere condolences to your entire family. She will be missed.*

slipped away into the next room. Nothing has happened. Everything remains exactly as it was. I am I, and you are you, and the old life that we lived as family together is unaltered, unchanged. Whatever we were to each other, that we are still. Call me by the old familiar name. Speak of me in the easy way which you always used. Put no distance into your tone. Wear no forced air of solemnity or sorrow. Laugh as we always laughed at the little jokes that we enjoyed together. Play, smile, think of me, pray for me. Let my name be ever the household word that it always was. Let it be spoken without an effort, without the ghost of a shadow upon it. Life means all that it once meant. It is the same as it ever was. There is absolute and unshakable continuity. What is this death but a negligible accident? Why should I be out of mind because I am out of sight? I am but waiting for you, for an interval, somewhere near you. Just round the corner. All to be well.
