“ I let him drive this red corvette I had at the moment and he cautiously brought it up to 60 mph. But he was young, and of course we didn't have many or enough memories. 1 year and everyday I missed you, felt for you and Your family, and thought of you. I'm so sorry. You were more awesome then I'll ever get to know. Signed Karen Scott's son

“ To Frank, Tori, Liam and Grant we are here for you, we grieve for you, we love you.

*To Teagan, our nephew, aka the T-man, you will be missed greatly. Our prayers are with you forever. I was going through some old pictures and videos...boy does time fly. I initially thought I wouldn't find many photos/videos since you were always on the move and we only got to see each other at most a few times a year but boy was I wrong. It turns there were plenty and some of the best times as a family were shared with you and yours. We all usually ended up in the water at some point, wrestling with the dads, brothers and cousins. We saw you grow up from a little guy to a young man who enlisted in the Air Force and served our country proud. When we think of you now, we think of that beach blonde hair and we see you looking down on us with that big bright smile. Remembered and Never Forgotten.*
