“ *Trisha and Family God saw Teddy was getting tired His time here was not meant to be So he put his arms around him And whispered "Come to Me" Although we loved him dearly And as he slipped away We could not make him stay A generous heart stopped beating Hard working hands at rest God broke our hearts To prove to us He truly takes the best. Teddy will be sadly missed by all that knew and loved him and will remain in our hearts forever. Sandi Montagna and Family*
