Teresa, I know you're still with us in spirit so this note is to you. As classmates at SAHS we didn't really appreciate how special and what a good friend you were to so many of us. I always loved your kind and gentle spirit, your beautiful blonde hair and that caring smile.

I believe that a person's success in this life is based on the positive influence and impact they have on others. You dear friend were a glowing impact on those you knew and possibly some you didn't know you. You made God's world a better place. The last time we talked It was mostly about high school memories. Wayne was right about the DC trip. Lots of fun and memories.

Teresa, your going home is our loss and Heavens gain. I'm sure you were welcomed with "Well done my child. Welcome home.

May God's immense love grant you peace. Until we meet again my friend.
