

Thomas L Dibert

November 1, 1960 - October 25, 2020

Thomas L. Dibert, 59, St. Augustine, passed away October 25, 2020 at his home with his family by his side. He was born in Altoona, PA and grew up in the Pittsburg, PA area. Tom proudly served his country for 20 years in the U.S. Air Force. He frequently vacationed to Crescent Beach, FL. The beach was his happy place and loved sharing that with his family. He made Crescent Beach his home 6 years ago where he enjoyed golfing, fishing and of course spending time on the beach. You could never hope to meet a nicer man, he is the ultimate role model for decency, kindness and unquestioning commitment to doing what is right in every situation at every time. Tom was a very loving partner, son, father and grandfather and will be deeply missed.

He is survived by his partner, Lisa Darby; daughters, Kathryn Stanley (Dylan), Stephanie Dibert; mother, Jean Anderson; brother, Don Dibert; sister, Laura Dean (Mark); grandchildren, Andi and Parker Stanley and step mother, Mel Dibert. He was preceded in death by his father, Richard Dibert and step father, Warren "Sandy" Anderson.

A celebration of life will be held at 2:00 pm, Friday, October 30, 2020 at St. Johns Family Funeral Home. In lieu of flowers donation can be made to American Lung Association, 55 W. Beautiful montage of all the people, places and things he dearly loved....a great glimpse of the man he became. He had many, many wonderful days , but not nearly enough years. Saying that I am proud of him just does not nearly convey the depth of my pride.... mere words are not enough. He is my son and he is in my heart.

“ *Tom announced my MSgt selection (promotion), as our leader and mission supervisor during one of our trips to Crete, where he did, indeed keep us (and me) out of trouble. A very good man. Thanks Tom, for the smiles, funny stories, and your leadership.*

“ I was devastated to hear the Tom lost his long struggle with cancer recently. I remember TD very well as his squadron commander at the 488th Intelligence Squadron at RAF Mildenhall, UK from 1998 to 2000. TD was one of our best - a true battle hardened, veteran Airman who was an absolute expert in one of the toughest, most complex career fields in the US Air Force. But his considerable expertise and professionalism wasn't what I remember most about TD. It was his sense of humor and the calm that radiated from him when things got really tough. From having to make split second decisions to save fellow Airmen in the Kosovo Air War, to countless deployments to Southwest Asia to trying to keep his crew out of trouble in Crete, TD did his duty cheerfully, morally and professionally.

I know we will always miss TD but the good Lord put him on this earth for the right time when we all needed him. I know this Airman is very, very thankful he had TD at his side during some of the toughest fights in my career.
