“ *My Aunt Gene smiled on me at her funeral and did me the service of reuniting me with my Uncle Tom and Katie. What a blessing! For almost four years now, I've enjoyed getting to know my Uncle Tom better and coming to love and appreciate him more. I am heartbroken that someone so vibrant has been taken from us but so grateful to have had time, although not enough, with him. What a smart, canny, funny, loving man! I love you, Uncle Tom.*
