“ We had some wonderful holidays with Tom and JoAnn and he was such a lovely guy' We stayed at his condo in Florida and he was so generous to us. We talked about his Yorkshire roots a lot and that was a link to us. We enjoyed sharing Yorkshire and Northumberland with him. We have kept in touch by e mail when Les eventually succumbed to the pressure from all of you in the States! A man with a big heart and a big personality and he will be missed by his family and friends. Condolences to all his family and love to you Jo Ann

“ JoAnn, Tracy, Tom and Tim, I am so sorry for the loss of your dad. I find comfort in his grand entrance into heaven. I think he will give Jesus a run for his money in long conversations! I love your dad and the love and joy he shared with his family and friends. He is an excellent example of how to lead a meaningful, full life and will have a lasting impact on my life. I pray for peace for each of you. Jen and Mike Harris
