

## Thomas Alonso Neville

February 21, 1963 - April 20, 2020

Thomas Alonso Neville, 57, of St. Augustine, Florida, passed away on April 20, 2020 at Flagler Hospital. He was born in Rota, Spain and moved to St. Augustine at an early age to attend The Florida School for the Deaf and Blind, where he was a 1982 graduate. In his early teens he was well known for his skateboarding all over the city and he built a ramp that was kept at the Deaf and Blind school for the entire neighborhood to use. Later in life he became well known for his sharp sense of humor and humorous films in the deaf community. Thomas also founded the deaf softball league in St. Augustine. Being completely deaf didn't hold Tom back, for many years he worked for the City of St. Augustine as an architect and a draftsman. Thomas was always the center of attention, trying to get a reaction out of people. More than anything Tom was a loving father, brother, grandfather and friend, who will be deeply missed.

He is survived by his children, Matthew (Nicole), Travis, Calvin (Audrey) and Savanna; sister, Rose Fieldhouse (Robert); brother, Terrence Neville and grandchildren, Kyla, Kasen, Jaxson, Braelynn, Kennedy and Kaden.

“ When we lived in Norfolk Naval Base Dad got me a 5 speed 20" Stingray. We had a ramp setup. So we would jump it and we kept raising it. WEEEE! Well then Tom starts waving his hands HIGHER HIGHER. Well we were all pretty scared to jump it. It must have been 6" high by now. Tom was the oldest. He said I'LL DO IT!!! Everybody starts cheering GO TOMMY GO!!!! I was screaming LOUDER LOUDER. So Tom starts down the hill and he LAUNCHES. It looked like Elliot and ET flying by the moon. He comes down.....the bike snaps in half....but the rides not over. Remember he's going down hill. Tom's goes airborne, lands on the front wheel. We're all like WHOOAAA!!!! HE'S HAULING BUTT. And then Tom starts screaming WA LA LA FE FE!!!!!!!!!!!!

“ *Another time there were 8 of us kids walking over to Camache Cove. Then all of a sudden Tom's on a bike. I didn't think nothing of it. So we enter the tree line and started playing army. It was big back then. Then about 5 minutes later someone is screaming HEY YOU KIDS!! We all walked out and SWAT was everywhere. Holy cow Tom stole a bike from Captain Parker's house. So that happened.*

“ *I remember when Tom got his first hearing aid. He had to wear a friggin harness. And the batteries weighed more than him. Then you had to route wires. He looked like a sick octopus. So they turned it on and immediately he started jumping for joy. Mom and Dad cried. IT'S A MARICLE!!!! Wow!. Turned out he was just feeling the vibration. It was maxed out. Hell I could here myself talking through his ear pieces and I was 30 feet away.*
