

Thomas Hunter Nicholson, IV

November 10, 1976 - October 1, 2025

In Loving Memory of Thomas “Tommy” Hunter Nicholson IV

Thomas (Tommy) Hunter Nicholson IV, 48, of St. Augustine, Florida, passed away peacefully at home on October 1, 2025, surrounded by love.

Born on November 10, 1976, Tommy earned his bachelor’s degree in Graphic Design at Flagler College and went on to work as a dedicated Customer Service Lead. He was known for his creativity, strong work ethic, and the way he treated everyone with kindness and respect.

On November 13, 2015, Tommy married the love of his life, Marianne. Together they shared a life filled with devotion, laughter, and adventure. Their home was made even warmer by their two beloved dachshunds, Henry and Levi.

Tommy’s greatest joy was spending time with Marianne, whether at the beach, out on the boat, fishing, surfing, skiing, or traveling together. He also loved sharing a cold beer with friends, telling stories, and enjoying the simple pleasures of life.

His love for the ocean, easygoing spirit, loyalty, and the love he gave so freely will always be remembered by those who knew him. Tommy’s legacy lives on

in the laughter he shared and the many lives he touched.

Tommy leaves behind his wife, Marianne; his mother, Janice Ganzemuller; his father, Thomas Nicholson III; his sister, Kristen Nicholson; and countless friends whose lives were brighter because of him.

A private spreading of ashes will be held at a future date. In lieu of flowers or gifts, please live like Tommy — be kind, be generous, and be grateful for everyone in your life.

He shared his kindness so freely and lived each day with gratitude.

Memorials in Tommy's honor may be made to The Glioblastoma Research Organization, supporting the search for better treatments and, one day, a cure.

“ Tommy Nicholson was our Son-in-law. He was such a great guy and a wonderful Husband to our daughter Marianne. When he was slipping away the Doctors put him on Hospice at home. We live in South Carolina but went to St. Augustine to comfort him and our daughter. He was still aware then but each day he was slipping away. He had so many visitors- the house was full everyday. When they would come in we introduced ourselves as Marianne’s parents but what they said (mostly the guys) was “I am so in so and I’m Tommy’s best friend”. We just couldn’t believe that our Tommy had so many friends. Some had traveled from pretty far to tell Tommy goodbye! Even the Hospice nurse pulled me aside and said he must be some special guy for all these people to come bye. He touched so many people. And he was well loved.

“ Tommy was a wonderful friend to all the Cacciatore family ... He always had a smile on his face and we enjoyed seeing him at Casa Monica Hotel when we visited St. Augustine - one of our favorite cities.
Our prayers and condolences to the family.

“ *I worked with Tommy at the Casa Monica Hotel's Valet. I always wanted to talk to him. He had such a loving presence about him that was infectious. Conversations about surfing and fishing were plentiful. Making that guy smile and laugh until his face turned red with whatever shenanigans we were up to in the valet tunnel made the whole experience. Tommy was truly the most full hearted friend I've ever made at a workplace. My deepest condolences to Marianne and the rest of his family. Tommy left impressions on people that consist of love and laughter. He walks now with our Father in Heaven.*
