“ Sorry to hear of Tommy's passing. He was a very hard worker, and always treated me well. I will miss you Tommy. I wonder if anyone will remember Tommy built the stand up walls at the Ponce de Leon Mall as well as multitudes of homes in St. Augustine? Rest well sir!

Thank you so much for the sweet words. I will never forget what my grandpa did for this town and so many people. The Miracle House in Jacksonville he built out of pocket, or the many schools and other municipal buildings he built. Or the many people who worked for him who he helped when they needed a helping hand or the hundreds of times he bent over backwards to take care of his family. He raised me like a father and I will always cherish the memories I have of him.
