“ *I will never forget sweet Tom and Paul standing at my driveway and they wanted to introduce themselves to me. They said we have seen you riding by our house and wanted to meet you. They went on to invite me to their house giving me the passcode to get in the driveway gate. The friendship began at that very moment. I loved seeing them and they were always so welcoming and ready to offer a smile and Big ol hug. They made sure to invite us to their church. Tim will be missed for sure. Praise our God that he is whole again and in the presence of Jesus.*
