

Tiffany Learn Herreid

January 14, 1990 - March 27, 2026

Tiffany Learn Herreid, 36, of Palm Coast, entered into the presence of her Lord and Savior Jesus Christ on Friday, March 27, 2026, at the Mayo Clinic in Jacksonville, after a long and courageous battle with Ewing Sarcoma.

Tiffany was a woman whose life was defined by love, kindness, and an unwavering devotion to her family. She had a gentle spirit and a caring heart that touched everyone who knew her.

Above all, Tiffany cherished being a mother. Her children were the center of her world and the greatest joy in her life. She loved deeply and selflessly, always putting those she cared about before herself.

Tiffany shared a special and enduring love with her husband, Eric Herreid. She often said she knew she would marry him from the very first moment she saw him, a testament to the deep connection they shared. Together, they built a life centered around love and family, and she found her greatest purpose in being his wife and the mother of their children.

She leaves behind a legacy of love through her beloved children: Farrah Grace, Mason, and Brody, who will carry her spirit with them always.

Her bond with her sisters, Alicia Learn and Danna Learn, was unbreakable.

They were more than sisters; they were one in heart, bound together by a lifetime of love, memories, and unwavering support.

Tiffany's father, Richard Learn, was not just her dad; he was her hero, and her mother, Karen Farmer, was her source of strength and comfort. Her family was the foundation of her life, and she treasured every moment spent with them.

Tiffany is lovingly remembered by her stepmother, Mien, her baby sister, Julia Mae, and her baby brother, Ethan Maverick, all of whom held a special place in her heart. Above all, Tiffany's faith in Jesus was strong and unwavering, rooted in a childlike trust. She believed wholeheartedly that even faith as small as a mustard seed could move mountains, and she carried that belief with her every day.

Tiffany will be remembered for her warmth, her strength, and the love she gave so freely. Her presence will be deeply missed, but her memory will live on in the hearts of all who knew and loved her. Her love was her legacy, and it will echo in our hearts for a lifetime.

Information on a Celebration of Life will be forthcoming.

“ I have so many wonderful memories, it's hard to share them all. She was my daughter in law, but I loved her just like my own daughter. She knew this as we were very close and open with each other. I loved her for loving my son the way she did and giving him the love every parent wants for their children. She gave me three beautiful grandchildren, and how can you ever thank someone for that? We shared holidays, vacations, spur of the moment visits, and she always welcomed me to her home. I miss her terribly, and will always love who she loved.

“ I remember Tiffany and her sisters from “Oz Learning Center” where they attended and I was a teacher. Tiffany was a beautiful and sweet child and never gave anyone any problems. She grew up to be a beautiful, sweet Wife and Mother. My condolences and prayers are with her family and all who loved her.
