

Mr Timothy Lee Fuhrmann

May 14, 1957 - July 20, 2025

Timothy Lee Fuhrmann, age 68, of St. Augustine, Florida, set sail on his final voyage on Sunday, July 20, 2025, passing peacefully aboard his favorite place to be: his boat.

Born on Tuesday, May 14, 1957, in Clintonville, Wisconsin, Tim spent much of his life in, on, or near the water. A lifelong sailor, he was never happier than when he was "messaging about in boats."

He was preceded in death by his parents, Gus and Phyllis. He is survived by his children Sean Fuhrmann, Rivkah Cohen-Affonso, and Aria Fuhrmann; his brothers, Ken and Daniel Fuhrmann; his sisters, Deb Haas and Nancy Rigby; and a lifetime collection of boat parts.

There will be no formal service. Per his wishes, close family members will gather to spread his ashes in the Superior/Duluth area - a place he always loved, preferably without mosquitoes this time. So instead of mourning, raise a glass, go for a sail (or take a nap in a hammock), and take a moment to enjoy the breeze.

He's found a new harbor now - where the dock fees are waived, the sunsets never get old, and the bilge pump never breaks. And now he's already helping a new sailor tie the perfect bowline.

Bon voyage, Captain. With love from the crew he trained (willingly or otherwise).

"Believe me, my young friend," said the Water Rat, "there is nothing- absolutely nothing-half so much worth doing as simply messing about in boats."

“ I still have the pictures from when you taught me photography. I still use the things you taught me in your woodshop. I still remember how the marina smelled when you took me to the boat, how much of a fight I'd put up when I got a splinter on the docks, all the outings (and watermelon) we had on the WriteByte. I love you Dad.
