“ *Yours was a life so remarkably lived, a smile so infectiously rare, and a laughter so abundantly heard. Your loss is deeply felt by all. Your memory will inspire us to live life to the fullest as we look upon your father to see you, look to your family to know you, and catch your children's laughter to hear you. Rest In Peace.*

“ This is an extremely hard one to wrap my head around as my heart and prayer's go out to the family and all of us who knew him. Know Travis was a pure joy and highlight to my and EVERYONE'S day the moment he came into Dispatch. He was always in good Spirit and had an infectious laugh, one who possessed the ability to turn your bad day into the best day! All because you seen his smile, heart warming presents and energy. I will DEEPLY miss you my friend and not a moment moving forward will go by that the small things want remind me of you. Rest in Paradise Travis

“ Very very sorry for your loss. I did not have the opportunity to run into him at work (I also haul cars at Centurion) from what co-workers tell me he was a GREAT guy. I wish I would have meant him. Our family is praying for yours.
