

Vicky Lynn Snyder

August 26, 1944 - June 4, 2026

It is with profound sadness, yet with hearts full of love, that the family of Vicky Lynn Snyder announces her peaceful passing on June 4, 2026, at the age of 81. A resident of St. Augustine, Florida, Vicky left this world just as she lived in it—surrounded completely by the warmth and presence of her devoted husband, her children, grandchildren, and great-grandchildren.

Born in August 1944, Vicky was a cornerstone of love and strength for everyone who crossed her path. Her greatest achievements were her family and her resilience in addressing life's many challenges, all while maintaining a seemingly limitless ability to mother everyone she met. Vicky possessed a rare, magnetic grace and an extraordinary capacity for empathy. It wasn't uncommon for brief acquaintances to confide in her and seek advice after only a few minutes of conversation.

Vicky had a light that drew people to her and a unique gift for empowering others. She didn't just hear people; she truly listened. She had a masterful ability to sympathize with a person's struggles, identify the best course of action, and then deliver the tough-but-necessary truths needed to help them push forward. Her wisdom, candor, and unwavering belief in others' potential transformed many lives.

Vicky's greatest legacy is the sprawling family she nurtured and championed every single day. She is survived by her loving husband, her four devoted

children, and a proud legacy of 10 grandchildren and 2 great-grandchildren who will continue to carry her spirit forward.

Vicky was loved by all and will be missed dearly.

Vicky spent her life quietly lifting others up. In lieu of flowers, the family requests that you honor her memory by doing an unexpected act of kindness for a stranger, lending patience to listen a little longer to someone in need, or dedicating time to strengthen your own family relations.
