

Vincent Erato

December 27, 1956 - August 14, 2025

Vincent Erato, age 68, passed away peacefully on August 14, 2025. He was the first of six children of Eleanor and Vincent Erato, born on December 27, 1956. After graduating from high school in Old Saybrook, CT, where he came of age, Vincent enlisted in the US Air Force in 1974 and served his country.

He was a benefactor for his 2 younger brothers as they established themselves as rock musicians. Vincent's passion in life was his love of classic rock and R&B music, and patronizing his brother's band was a rewarding experience for him. After his term served in the Air Force, Vincent continued his education, making the Dean's list and graduating with high honors from NYU receiving his bachelor's degree. Vincent was an intelligent, humble and good man who led a quiet life.

Through the years he lived in a number of iconic cities including NYC, LA, Washington DC, WPB, Las Vegas, and winding up in St. Augustine where he has resided at the Clyde E. Lassen State Veteran's Nursing Home since 2017 due to major health issues. He made his living as a professional typist and medical transcriptionist; lauded for his expedient and precise typing abilities. Before moving to St. Augustine, FL, Vincent resided in Las Vegas for many years. He was a "foody" who took delight in his regular routine of dining out at the many casinos on the strip.

Another favorite pastime was watching football, and was a loyal NY Giants fan.

At Clyde E. Lassen State Veterans Nursing Home he received compassionate care from the wonderful staff, and towards the end of his life was additionally well cared for by the compassionate, and benevolent staff of Community Hospice. He leaves behind his mother, Eleanor Kallman, his sister, Lisa Erato, his brother Gregory Erato and his wife named Terry, and his youngest brother Christopher Erato and his wife named Serena. He was a gentle giant and will be missed.

May he rest in peace
