“ Spending a few years with you, I knew the true gentleman you were, the spirit you kept and your love and adoration for your family. I cherished spending time with you, your mom and your dad. You truly were the only person in my life to push me to be a better version of myself. You taught me what it meant to love unconditionally. You have my heart now and forever. You were my best friend. I loved you more than anything. I miss you more than you could ever know. You were the one I was meant to spend life with, I can't do anything until I see you again. I absolutely adore you.
