“ You will be dearly missed. Aunt Bee was definitely someone who stood out in this world. She was a woman in control and a born leader. Aunt Bee was a good listener and a good advice giver. She was so much fun to be around and as my Mom says fit in anywhere and with everyone no matter of there age. We will always remember the great Thanksgiving get togethers and the nice times we had when she came to visit our family in New York. I was so happy for my opportunity this past March to visit with Aunt Bee and finally get to introduce my husband Larry to her. We are so sorry we can't be there today to celebrate her Life. She certainly was an amazing Woman my Aunt my Friend.
