“Wally I met you at Luhrs and you went from Boss to lover. We moved in together then got married on the beach on Valentine’s Day we were cold. We spent almost 20 years married and thought we would spend 20 more. You will ALWAYS be the BEST man I have EVER met. You treated me with so much LOVE and called me your sunshine. We will ALWAYS be together in our hearts but until then say Hi to everyone for me give them a hug. I LOVE YOU BABY TO THE MOON AND BACK.

“ *First, my condolences to you Cindy. Walter loved you so much. He told me so. Reach out me if you need ANYTHING!!! Love also goes out to his kids and new grandson. He was very proud of them. Walter and I grew up in Warwick, NY. I'm sure he'd agree we couldn't have had a happier Childhood. We ended up in St. Augustine, Florida in ...1985?We went on to live our lives with Mama and Papa being our hub. But, lately we hadn't kept in touch and I'm regretful for that. Sorry to see him go so abruptly.... He's my brother and I love him. Always will.*

*My condolences to Walter's loved ones. I got to know Walter as I was friends with Hagen Schulz. A memory that sticks out is a trip we made in 1980 (I believe) to Unadilla NY for a motorcycle race. We drove up there, about 3 hours from Warwick, on Friday after school in Walters VW bus and we slept in the bus that weekend. I left Warwick many years ago, can't remember the last time I saw Walt, but he was a great guy. Walter if you are looking down at me, I love you, Brother! You were a part of my youth in Warwick. God bless you and your loved ones in this time of grievance. We will drive in that VW bus again some day!*
