“ Well Jack now you can spend some time catching up with your daughter Melissa and making amends, I know your heart hurt for her, that you couldn't do right by her when it was too late, but you stayed with her till she took her last breath and God seen that, rest easy now.

“ Jack and I were in elementary school together. I knew most of his brothers as well since several of them drove school buses transporting the SAHS Yelliw Jackets ti away ball games. Jack was a good businessman who analyzed what you needed done with your trees, offered a fair price, and then made sure the job was done right. Leonard Prllicer

“ Jack was one of the most friendly people I have ever met. He was all the time smiling and was such a hard worker. I remember when he came and cut down a bunch of my trees and also at my mom and dad's place as well. He definitely earned his wings in Heaven and will be sadly missed.

“ Jack was always very nice to me and I was so thankful for his help and his friendship during the years that I was able to know him. One thing I can say about Jack Wright is he was a very honest man. He never gave up and he worked hard every day. I just received a phone call from him the week before last. Check to see how I was after my surgery. I am grateful to have known him and I'm sorry he is gone. Rest in peace Jack.

*Jack was a kind, thoughtful, and nice neighbor with a great sense of humor. Every time we interacted with him, he always asked if we were doing okay, and he usually had some funny quip to respond back to us with. We truly enjoyed knowing him (although for too short of a time) and he will be missed. We are sending our heartfelt condolences to his family ... May fond memories give you comfort during this difficult time.

My thoughts & prayers for Jack's family. I had several trees cut down right around & over my house & his company was the only one I would trust. In passing he would stop if I was out & he would ask if every thing was OK & they had taken care of all my trees. He will be missed.
