“ Our next-door neighbor for several years. Although Wayne did not enjoy watching football, he loved interrupting our game every Sunday ...he would talk and talk, we would "shush" him and he would laugh. We miss him.

“ Wayne welcomed us to the neighborhood on Ocean Drive when we were renters just down the street. I could always tell it was Wayne at the door by his special knock. He was a jokester, and always had a smile on his face and a good story to tell. We were glad to have known him.
