“ I am a distant relative in Oklahoma but got to meet and visit with Wayne and Rose when we visited the St. Augustine area around 2013. You would have thought we had known each other forever because it was such a wonderful visit. Wayne was my grandmother's first cousin. Her name was Selma (Olson) Larson because her mother, Olive (was 5 yrs older than Frank) was sister to Wayne's dad, Frank. Olive had my grandmother at age 21 and Frank had Wayne when he was 42 so that explains the age difference. My mother told me about Wayne so that's how I knew I had a relative there. So thankful for getting to meet him and know I'll see him again some day in heaven! Pearl (Erickson) Walters, Grove, OK.
