“ Wesley, you was my first boyfriend I ever had. We had a lot of great memories together but my all time favorite was when we went out on the boat. You had me jump off a cliff with you. You took your helmet off and said come on I'll let you wear it lol.. I just seen you and took a pic with you February 6th cause I was so so happy I got to see you after all them years. I love you Wesley! You for sure without a doubt took a piece of my heart with you. May you forever rest in peace!! I love you forever!!
