“ I’m so sorry to hear if this news. Mark and I were best friends back in the 60’s. I just saw this post tonight as I was going to message him to see how he was doing. Mark and I use spend so much time together as kids, from sleep overs to running around the neighborhood as Batman and Robin. I have so many stories of that time. I always hoped Mark and I would someday get together and catch-up. Now we must wait longer. Condolences to Marks family, who probably won’t remember me. Even after all these years I have fond memories of all of you and will be praying for comfort for your loss. I love you, Don R.

“ My Darling,

Life will never be the same without you beside me. I know that people are in your life sometimes for a season but our time was to be a lifetime. Thank you for making me the "Happiest Girl in the Whole USA." You were my rock and I cry to for you every day. You were the kindest, gentlest, man I've ever known; you were my best friend. You have shown me what unconditional love really means. I miss you more and more as time goes on. I love you Mark Veazey! I will see you again...

“ My 2brothers and myself lived at the boy,s ranch where Mark,s step dad was a director. We spent 5 years being friends with Mark, his brother Al and sister Sandra. We had just reconnected on Facebook a year or two ago. We had made plans on getting together to catch up a few times but busy schedules seemed to delay this. I wish now I would have made time. Mark was a great friend. RIP friend. Enjoy what the Lord has prepared for you. We will continue to pray for His comfort for those left here especially your family. Until we meet again. ❤️🙏

*Tragic news. I spent a lot of time with him in Corpus Christi when I was a SAR swimmer in the early 1980's. We ran in a six person, co-ed full marathon. His plans were to become a saturation diver.
