“ *It's hard to believe it's been eight years since we met him at the park when it feels like just yesterday. It's heartbreaking that he left us at such a young age. He left a lasting impact on everyone's hearts that knew him.*

I'm sharing some pics I have from when we first met him. We express our utmost sympathies and heartfelt condolences to your family in this difficult time.

“ *Williams sister and I bonded over having similar relationships with my brother. His mother and I did the same. His family is like my family. I didn't see him much, but when I did, we enjoyed his company.*

My heart hurts for my extended family in their loss. I hope they find comfort in the coming months and keep in mind the good moments they had together. I love you all so much. Mom, Paige, I'm here any time if you need to talk about ALL or ANY of the feelings that come up. You're always in my thoughts. Now so more than ever
