“ I have known Bill for 17 years and he became like a second father to me. All of the Pickard family are my second family. I loved him dearly and I always admired him for how intelligent and kind he was! He was such a WONDERFUL father and grandfather. My heart hurts for all of you and I mourn this loss with you. I wish that I could be there with you now, but please know I am there in spirit and holding you all close in prayer every day. Love you! Alison
