“ I was friends with Bill from High School...always a smile on his face, always a cheerful word..we surfed together and did some traveling together..The attached pic is when we went to Florida...Bill was about 18 in this photo..Bill could make you laugh, I visited with him in Florida some 10 years ago and it was like the 30 years we lost touch was nothing...My condolences, I am truly sorry for your loss.

“ *I'm so sorry for your loss. In the thirty or so years I knew him, Billy was always upbeat, loving, and, friendly to everyone in his path. I am glad he is not in any pain, but I cannot imagine what a hole his loss has left. I hope the wonderful memories you have will comfort you in your grief.*
