“ I will miss my friend Jack. He was a good friend, and our mutual love of the sea, and boats, gave us much in common. I made him a "ships wheel" commemorating the completion of the boat he spent years building. Although we missed seeing him at Cracker's in Orange Park, and looked everywhere for a closer marina for him to park his boat, we knew he was happy to be on it, wherever it was. We were happy for him. "Fair winds and following seas" my friend.

“ We are so saddened to hear about Jack passing. We lived at the marina for a time and really enjoyed his company. He called us the "Barkers" because our dogs would bark at him. LOL I spoke to Jack by phone a few times when he was in the hospital earlier in the year. Our thoughts and prayers are with the family. He will be missed.
