“ I miss your hugs and kisses when I walk through the door. Your smile and dancing lits up the place. Everywhere is not the same without you. You we're there's when I needed friends and I thank God everyday for that day. We will miss you so very much and love you always and forever. Till next time my love.

“ *I danced with Wendy on Sunday to our favorite song. She was always there for me with a smile and a hug, and I will miss her terribly. She had become one of my best friends. I'm glad I sent her a message Sunday night and told her I loved her. I hope her and Michael are now dancing together in heaven.*
