Winton Garrett, Jr

November 25, 1947 - January 22, 2016

Winton Garrett Jr., St. Augustine, Fl., 68, passed into the loving arms of our Heavenly Father on Friday, January 22, 2016 with his loving family and friends by his side. Winton was a Christian and a devoted husband and father. Winton is survived by his loving wife Malinda and his son Bryan. A special thanks to his sister-in-law Cynthia for her prayers and support. You were the best husband and father ever and it broke our hearts to lose you, but you did not go alone. Part of us went with you when GOD called you home. You will be our angel in Heaven, smiling down on us, never leaving us alone. We love you so much and are going to miss you each and every minute of every day until we meet again in Heaven. Winton was a Senior Systems Analyst for Blue Cross & Blue Shield of Florida, MIS Director for GTE and a Verizon Consultant. Winton was also a decorated sharp shooter for the United States Army. Winton's chocolate lab, Cappy, as well as Buddy and Milo are lost without their "Poppy". St. Johns Family Funeral Home is in charge of arrangements.

“ Good memories are the best treasures left behind and should always be cherished by all. I always told Winton that he was my best brother in law and he said I was his best sister in law, so I shall always keep that in a special part of my heart, along with all the good times we had - and especially with Winton having my sister put that vintage, large, very loud, burglar alarm on my bed to wake me up during my visits. He got such a kick out of scaring the bejeebers out of me and I thought it was a great prank and never expected it all the times he pulled it. So I will be thinking of Winton while watching Steven Seagal tonight, as we spent hours watching his movies, as he was one of both of our favorites. A Holy candle is burning now the same as I lit daily while praying since Sept. 2015. But now that Winton is at peace and without pain - I will say a final prayer when I blow it out tonight. To my Devoted and Loving Sister, I can only offer my sympathy and prayers and be there for her as always, like she has always been there for me. She gave it her all and never gave up hope and was there for her husband Winton, not only in sickness but also in health, every second of every day, from the time they started dating, the same as he was for her. God will reward both of them for her great deeds and devotion. I never heard Winton complain of hurting no matter the times I knew he was. He just carried on and never gave up hope and fought bravely until it was time for him to leave when God called him home. I know he did not want to leave his wife Malinda, who he deeply loved and respected, and she did not want Winton to go, and that he did all he could to go back home with her again. But God no longer wanted Winton to suffer, so God sent his Angels to gather Winton up in their arms and take him to his heavenly home. So with a heavy heart - I too must say so long to my best brother in law. 2016 January 28 2120 hrs.
